

The background of the slide features a blue gradient with a series of stylized, 3D human figures in a light blue color. These figures are arranged in a line, holding hands, and are rendered with a sense of depth and perspective, appearing to walk towards the right. The figures have simple, rounded heads and angular bodies.

NIDC Healthy Neighborhoods Initiative 2012 Project Year Overview

Presented to the City of Milwaukee Common Council
Community & Economic Development Committee
January 28, 2013

NIDC Resources

- Common Council allocated \$200,000 to NIDC for implementation of the Healthy Neighborhoods Initiative and Community Improvement Projects during 2012.
 - \$40,000 supported projects in the participating Healthy Neighborhoods
 - \$110,000 supported Community Improvement Projects in neighborhoods citywide
 - \$50,000 allocated to a Block Stabilization Program
- NIDC has partnered with the Greater Milwaukee Foundation for six years and in 2012 GMF committed \$400,000 in resources to nine “Healthy Neighborhoods.”

The background of the slide features a blue gradient with a series of stylized, 3D human figures in a light blue color. These figures are arranged in a line, holding hands, and are rendered with soft shadows, giving them a sense of depth. They are positioned in the upper half of the slide, behind a white text box.

2nd Annual Bloom & Groom Project

Bloom & Groom 2012

- NIDC worked with 14 neighborhoods across the city to support events in which groups made plants available to encourage neighborhood planting day.
- All 9 Healthy Neighborhoods participated.
- Lowe's supported the event by providing discounted plants valued at \$18,000.

Bloom & Groom 2012

Goals for 2013

- Strengthen outreach and leadership support and development.
- Streamline application and reporting process.
- Promote and support CIPs in TIN areas.
- Increase meaningful collaborations that are community driven.
- Identify unserved areas.

THANK YOU!
